

Clinical Formulation and Assessment

Facilitator: Kay Lancefield

Kay Lancefield has worked in the forensic field in a number of contexts for some twenty-five years and over the past fifteen years has focused work in the field of the assessment and treatment of harmful sexual behaviour. Recent practice has included professional supervision, individual counselling, assessment and treatment of adolescents with harmful sexual behaviours, consultancy work in the areas of establishing treatment services, program development and staff training to Government and non-Government agencies.

Date: Friday 27th November, 2020

From: 10am – 4.00pm

*At: Queen Victoria Women's Centre
210 Lonsdale St*

Workshop Objectives

- Develop understanding of the assessment process in working with youth who engage in harmful sexual behaviour
- Utilise formulation to organise assessment information and establish therapeutic goals
- Understand how risk assessment instruments can contribute to the process

**Morning tea will be provided, participants are asked to provide their own lunch.*
