

Essential Foundations workshop for Sexual Assault Workers

Smart Safe: Digital Safety, family violence and risk assessment

Presented by: Domestic Violence 
Resource Centre Victoria

Date: September 19th 2018

From: 9.30am – 4.30pm

At: Queen Victoria Women's Center
210 Lonsdale St Melbourne

Workshop Objectives

- Gain insight into the unique and changing ways technology is being used to exert power and control over women and their children (ie. through Facebook, Twitter, 'Revenge Porn' etc)
- Enhance understanding of the impact of technology facilitated abuse on victims
- Gain confidence in digital Risk Assessments
- Develop skills in Safety planning approaches and providing Safety tips for Women
- Build on advocacy options (including legal responses)
- Expand agency frameworks for a more comprehensive approach to digital safety.
