

Advanced workshop for Sexual Assault Workers
Voice Hearing, sexual assault and service system responses

Dr Kath Sellick - University of Melbourne

Date: December 4th, 2018

From: 9.30am – 4.30pm

at: Queen Victoria Women's Centre
210 Lonsdale St

Workshop Objectives

- Explore the research indicating an association between childhood sexual abuse and the voice hearing in adults and models that seek to explain this connection.
- Develop an awareness of different ways to understand the phenomenon of voice hearing.
- Learn about different approaches to working with sexual abuse survivors who hear voices.

Advanced workshops are particularly designed for experienced counsellor/advocates and sexual assault support workers.
